### **TO WHOM IT MAY CONCERN**

Dear Sir/Madam,

**RE: INDUSTRIAL ATTACHMENT FOR MAGOKO EDWARD MARWA**

**REG. NO. 21/04970**

This is to certify that **MAGOKO EDWARD MARWA** is a continuing student pursuing Bachelor of Science in Information Security and Forensics course at KCA University.

This course is structured into 4 stages (years). To complete this course, the student is required to be attached in an I. T industry environment for a period of at least two months. The student is required to be exposed to a range of I.T problems in the organization and has to provide evidence of having solved at least one problem identified.

This is to request you to attach him to your organization to enable him gain the necessary experience and to facilitate the successful completion of his course.

Any assistance accorded to him will be highly appreciated.

Yours faithfully,

Dr. Simon Mwendia

**Dean, School of Technology**
